Certified Local Government Annual Report

* indicates a required field

Under the CLG Agreement with the State, local governments and their historic preservation commissions are responsible for submitting an annual report documenting the commission's preservation work and that they have met the requirements of the CLG program.

This annual report is also an important tool for your commission to evaluate its own performance and to plan for the coming year.

1. Name of the city, county, or land use district:

Please choose the name from the drop down table.

Cherokee (city) Historic Preservation Commission

2.

Did your commission undertake any projects for historic identification/survey, evaluation and or registration/nomination projects in this calendar year?

CLG Standards are in your local government's Certified Local Government (CLG) Agreement and the National Historic Preservation Act:

1) The CLG shall maintain a system for the survey and inventory of historic and prehistoric properties in a manner consistent with and approved by the STATE.

2) The CLG will review National Register nominations on any property that lies in the jurisdiction of its historic preservation commission.

Please upload any Iowa Site Inventory Forms or other survey materials produced during the year. Please do not upload any projects that were funded with a CLG or HRDP grant, mandated by the Section 106 review and compliance process, or National Register nominations as we already have these documents in our files.

yes

3.

Were any National Register of Historic Places (NRHP) properties in your City, County, or LUD were altered, moved, or demolished in this calendar year?

no

4. Does your local government designate local landmarks or local districts?

IMPORTANT: Most local governments do not have a program for local designation. If you have questions about whether you have a local designation program or not, please contact Paula Mohr before you complete this section.

No

5.

If you answered yes to the previous question, in this calendar year, what properties did your city place on its list of locally designated historic landmarks and/or historic districts? Please provide the historic name and address of each property

IMPORTANT: Most local governments do not have a program for local designation. If you have questions about whether you have a local designation program or not, please contact Paula Mohr before you complete this section.

REMINDER: Before local districts are designated by your city council, you must send the local nomination to the SHPO for review and comment. Please allow at least 45 days for review before the nomination is scheduled for city council review. The SHPO review takes place after your commission has approved the local district nomination and **BEFORE** it is placed on the city council's agenda.

N/A

5.1.

Please attach a copy of the final designation nomination(s) and ordinances(s) for these properties

6.

In this calendar year, what were the actions to revise, amend, change, or de-list a locally designated property? Please provide the name and address of the property(ies) and the action. If no action was taken, enter N/A

In 2020, the building at 206 W. Main Street was revised from a non-contributing to a contributing building to the Cherokee Commercial Historic District.

7.

Has your city or county passed other ordinances that directly or indirectly affect historic preservation?

no

8.

Did your city, county, LUD or its historic preservation commission undertake any of the following activities in this calendar year? Please think broadly about this question and include any activity (small or large) that facilitated historic preservation in your community. This is your opportunity to boast about your accomplishments and get credit for the great work you do!

CLG Standards found in CLG Agreement and National Historic Preservation Act:

- 1) The CLG will enforce all appropriate state and local ordinances for designating and protecting historic properties.
- 2) The CLG shall provide for adequate public participation in the local historic preservation programs.

a. Historic preservation planning. Examples include the development or revision of an preservation plan, development of a work plan for your commission, etc. | b. Provided technical assistance on historic preservation issues or projects. Examples include working with individual property owners, business owners, institutions to identify appropriate treatments and find appropriate materials, research advice, etc. | c. Sponsored public educational programming in historic preservation. Examples include training sessions offered to the public, walking tours, open houses, lectures, Preservation Month activities, etc.

8.1.

Describe the city, county, LUD, and/or historic preservation commission's historic preservation planning activities in this calendar year.

Due to the Covid-19 pandemic our Commission was forced to cancel our plans for Historic Preservation Week in May 2020 which was to include:
Joining with the Sanford Museum and Cherokee Public Library for a 1920's & 1930's history week theme. Activities which were planned: One Book, One Read of "The Great Gatsby" with five local book clubs, Cherokee Chamber Coffee, walking tour of downtown buildings erected in the 1920-30's enchanted via cellphone QR codes and pamphlets, an archaeological lecture on the Templeton Rye distillery lost barrels search, Roaring 20's theme night with trivia contest, history related scavenger photo hunt, and a lecture on Grant Wood's life and work highlighting our local historic painting by one of his students, Helen Hendrichsen.
Continued at 8.3.

8.2.

Describe the city, county, LUD, and/or historic preservation commission's assistance on preservation issues or projects in this calendar year. Please be specific (address(es) of property(ies), what was the issue(s), what technical assistance was provided?).

A. Wilson School - 100 E. Willow. This building built in 1915, formerly the high school and later the middle school, is currently vacant and endangered. The City of Cherokee has entered into an agreement with Shawn Foutch of JMAE, LLC to acquire the building

and renovate it into apartments. Preliminary site work began in 2020. Interior debris removal took place during the summer and fall months. Mr. Foutch is currently working to obtain federal and state grants and tax credits for the project to proceed. Our Commission has worked many hours with the City and Mr. Foutch to keep the project moving forward. We maintain contact with Mr. Foutch and in 2020 provided photos, news articles, maps, architectural plans, and historical building research to Rebecca Conard, Architectural Historian, as an aid to the grant writing process. CHPC commissioner, Mick Samsel, through his business, Creative Services, has designed a sign to be placed in front of the building. The sign indicates the shared involvement of the City, Shawn Foutch, and the Cherokee Historic Preservation Commission in restoration & renovation of the building.

B. Griffin Building - 427 W. Main. This building dates to 1933 and housed appliance stores, a grocery store, and more recently law offices on the main floor with two apartments on the upper level. One of the attorneys and now the owner, Alyssa Herbold, has completed renovation and restoration of the building. Our Commission members researched the history of the building and provided this research and photos to the owner for possible use in obtaining tax credits. The owners sponsored an open house of the completely renovated building.

C. Brummer Building - 101-103 E. Main. This three story granite faced building is the most prominent building in downtown Cherokee. Our Commission has worked with the out-of-state building owner in his attempt to sell or rent the building. Commission members, led by Mick Samsel, have made some minor repairs to the roof and windows to weatherproof the building. Our Commission has worked with the City and the Cherokee Economic Development Corporation among others to save this building. Progress is ongoing.

D. Our Commission provided photos and historical background information to the new owners of several downtown commercial buildings that changed ownership during the year. We also highlighted the buildings and new businesses on our Cherokee History Facebook page. They include:

Details Custom Print Studio - 222 W. Main

360 Designs - 220 W. Main

Home Anthology - 501 W. Main

Rider Family Dentistry - 210 W. Main

Main Street Bakery - 231 W. Main

Mud on Main - 207 W. Main

Describe the city, county, LUD, and/or historic preservation commission's public education programs in this calendar year.

Please provide specific details such as date of event, description of the event, how many people participated, whether the commission partnered with other organizations)

We moved the the Cherokee History Week to September 2020 which included:

A. Sanford Museum - A 1920-1930's exhibit case viewed by over 100 visitors. A coloring contest for children was held at the museum. Archaeology activities for children were also conducted by Quinn Black, archaeologist. A cemetery walk of Oak Hill cemetery led by commission member and Sanford Museum educator, Kerisa Pingel, that highlighted early pioneers and business people of Cherokee which was also shared on our commission Facebook page.

B. Held a Chamber of Commerce Coffee at the historic Cherokee railroad depot which is listed on the National Register of Historic Places. This was promoted by commission members Jim Adamson & Mick Samsel on KCHE Radio and also live-streamed by the Chamber on their Facebook page. A photo slideshow of historic Cherokee buildings, street scenes, and community events were depicted on a large monitor for attendees to view during the event.

C. Also during September, our Commission promoted self-guided walking tours of our Cherokee Commercial Historic District which highlighted buildings constructed in the 1920's. Self-guided maps with QR codes were provided to the public at the Chamber office and at the Sanford Museum. Commission member, Nathaniel Story, designed and created the maps. Our Facebook page recorded over 2,500 associated views. Gustafson Realty which has supported our History Week activities for several years did so again in sponsoring a full page ad in The Chronicle Times. The history of their downtown lot and building was highlighted based on research done by commission member, John Snapp.

D. We again met with the LeMars and Sioux City Historic Preservation Commissions to discuss items of mutual interest and to promote cultural and historic preservation projects and venues common to our communities. We continue to work with these two commissions to create a Northwest Iowa Heritage Corridor. These meetings to resume in the future as the pandemic ebbs.

E. Before the pandemic, we had invited the local high school history teacher, Travis Schipper, to one of our commission meetings to discuss ways to involve his students in our local history and preservation activities. Unfortunately, after one meeting, we were unable to further pursue the project due to the pandemic. A project for the future.

F. Commissioner, Mick Samsel, is working on a new cell-phone based tourism project to

highlight Cherokee's historic buildings and homes.

G. Two of our commissioners, Jim Adamson & Mick Samsel, who are also members of Depot Renovation, Inc. are involved in several projects to highlight their thirty year anniversary of saving the historic Illinois Central Railroad depot.

H. Commissioner Mick Samsel is also working on a cellphone tourism project. This is his description:

The cell phone tourism project puts in your hand the 'rest of the story' behind Cherokee's history, offers the opportunity to promote shopping in Cherokee, and makes an up to the minute promotional & way finding platform for possible use during events like RAGBRAI, the trail system, Rodeo, KEE Live - and anything else down the road. Emphasis is on Cherokee's most significant historical structure - the Illinois Central Railroad depot and surrounding railroad complex.

Note this railroad property is listed in the National Register of Historic Places and is a tremendous visitor attraction that can be coupled with regional tourism between our Cherokee, Le Mars, Sioux City Historic Preservation Commissions' partnership already in place but still a work in progress. Note the fantastic railroad history of Sioux City, highlighted by the Sioux City Railroad Museum - Siouxland Historical Railroad Association, plus Le Mars history with its two rail lines.

I. In 2020, our Commission sold out of our copies of the "Cherokee Historic and Architectural Reconnaissance Survey Report" booklet authored by Marys Svendsen, Architectural Historian, having sold 183 copies to current and former Cherokee residents.

8.4.

If answer includes d. New or revised design standards and/or guidelines were developed and adopted during the calendar year,

Please upload the document here.

9.

Are there any particular issues, challenges, and/or successes your preservation commission has encountered or accomplished this year?

Successes: Our Historical Resource Development Program (HRDP) grant #201905-7051 was completed in 2020. This was for the nomination of six historic residential properties in Cherokee for listing on the National Register of Historic Places. After two owners

withdrew from the project, two business properties in the Cherokee Commercial Historic District were added to be changed from non-contributing to contributing status. Ultimately, three of the residential properties, the Guy M. and Rose (Freeman) Gillette House, 111 N. 11th St.; the Lemuel C. and Mary (Vaughn) Boughton House, 736 W. Cedar St.; and the Roy C. and Lena (Johnson) House, 400 Magnetic Ave. were successfully nominated to the National Register of Historic Places. One of the business buildings, 206 W. Main, was added as contributing to the Cherokee Commercial Historic District. A lengthy but successful project!

Challenges: The covid-19 pandemic affected every aspect of our mission from switching our meetings to Zoom to hindering work efforts on our various projects and events which we are involved in.

10.

What partnerships did your commission form or continue with other entities? (examples include local main street office, local school, historical society, library, museum, service club, etc.) If none, enter N/A

Our Commission continues to work closely and partner with the Cherokee Area Archives (three Commission members are also volunteers at the Archives) doing historical research on both business buildings and historic homes (example: our recent HRDP grant nominations). Also we do genealogical research for current and former Cherokee residents. We also partnered with the Sanford Museum on several projects throughout the year notably our annual History Week. We also worked with the Sanford Museum on research of the former Fountain House and Magnetic Park area with archaeologists, Megan Stroh-Messerole and Quinn Black, along with Sanford Museum educator, Kerisa Pingel. This area is being developed by the Cherokee Trails organization as an addition to Cherokee's biking and walking trail system. With the museum staff, we planned a hike along the Little Sioux River to locate the foundations of the Old White Mill, Spruce Street bridge, and pioneer cabins. The archaeological report is attached. We also partner with the Cherokee Public Library, the Cherokee Trails Committee, and with Depot Renovation, Inc. on common goals, projects, and community events.

11.

Did your historic preservation commission receive any grants (other than CLG or HRDP) this year? If so, please describe. If none, enter N/A.

No.

12. Does your commission have a website?

Yes

12.1. What is the website address?

<https://www.cherokeeiowahistory.com>

13. Does your commission have a Facebook page?

Yes

14.

List dates of public commission meetings held (please note these are meetings actually held with a quorum, not just those that were scheduled).

CLG Standards found in CLG Agreement and National Historic Preservation Act:

- 1) The CLG will organize and maintain a historic preservation commission, which must meet at least three (3) times per year.
- 2) The commission will be composed of community members with a demonstrated positive interest in historic preservation, or closely related fields, to the extent available in the community.
- 3) The commission will comply with Iowa Code Chapter 21 (open meetings) in its operations.
- 4) Commission members will participate in state-sponsored or state-approved historic preservation training activities.

In 2020 we held eleven (11) meetings. Because of the Covid-19 pandemic the last nine (9) were Zoom meetings. The dates of the meetings were January 28, February 25, April 21, May 19, June 23, July 21, August 18, September 15, October 20, November 17, and December 15.

15.

We recommend that the local government provide the commission a budget with a minimum of \$750 to pay for training and other commission expenses. In this calendar year, what was the dollar amount for the historic preservation commission's annual budget?

Our annual budget received from the City of Cherokee is \$1,000.00. Our Mayor, Craig Schmidt, has been a great supporter of our Commission and has attended several of

monthly meetings in the past.

16. Where are your official CLG files located?

Certified Local Government files must be stored at city hall (for city commissions) or the county courthouse (for county commissions).

Our official CLG files are stored at the Cherokee City Hall, 416 W. Main St., Cherokee, IA 51012 with backup files at the homes of commissioners Jim Adamson and John Snapp. Also some earlier backup files are stored at the Cherokee Area Archives room in the Cherokee Public Library.

17.

Please list the names of the Historic Preservation Commissioners who served during this calendar year.

Cherokee Historic Preservation Commissioners who served in 2020 were: Jim Adamson, Mick Samsel, John R. Snapp, Barb Busch-Mott, Megan Stroh Messerole, Tim Greenwood, Cindy Wilberding, Julie McLaren, Nat Story, and Kerisa Pingel.

18.

Each CLG was asked to provide a work plan last year. Please provide a self-assessment of your progress on the initiatives and programs you identified last year. Were you able to accomplish much of what you set out to do? If not, what would help you fulfill this next year's work plan?

Our 2020 work plan was:

- A. Plan and coordinate May History Week.
- B. Continue to assist Richard Carlson's research and work on the two Loughlin buildings to be listed as contributing to the Cherokee Commercial Historic District.
- C. Develop a relationship with the owner of the Brummer building and assist with its renovation or sale to renovation minded buyer.
- D. Complete work on our CHPC webpage.
- E. Continue to work on maps and cell phone tourism maps of our this historic districts and homes.
- F. Continue to work with the Sioux City and LeMars HPC's on a NW Iowa Heritage Corridor.
- G. Inquire whether four business property owners are interested in historic registry plaques for their buildings.
- H. Highlight and award a plaque to a local property owner for their work on preservation

of a building in honor of May Historic Preservation Week.

I. Discuss applying for a grant to highlight a historic residential district near the new Magnetic Park trail system that is due to be finished in the next 1-2 years.

Due to the covid-19 pandemic, we were not able to meet all our goals but were pleased how much we were able to accomplish during these unusual times. We were able to have a modified version for our local History Week even though it was delayed a few months. We had another downtown building successfully added as contributing to the Cherokee Commercial Historic District completing all the requirements of our HRDP grant by years end. This also resulted in adding three historic homes in Cherokee to the National Register of Historic Places as mentioned elsewhere in this report. We added historic registry plaques to two more of our downtown buildings, created a downtown walking tour map, and a new website. We continue our work to save and renovate both the Wilson School building and the Brummer building. Commission members are assisting with the research and creation of twelve signs to be placed along the Magnetic Park trail highlighting the history of buildings and the area the trail passes. This includes the Fountain House, the original pioneer settlement, the Cherokee fort and blockhouse, the Old White Mill, the ice houses, and other sites along the trail.

19.

Each commission should develop a work plan for the coming year. This work plan should include the project(s), initiatives and programs you plan to begin or complete. Also discuss your plan for obtaining historic preservation training in 2021. Please attach your work plan to your annual report.

[Cherokee Historic Preservation Commission Work Plan for 2021.docx](#)

20. Please update contact information about your 2021 Chief Elected Official.

Note: This is beginning January 2021. Please provide the information for the Mayor, Chairman of the Board of Supervisors, or President of LUD Trustees.

33.

Does your commission have any vacancies? If so, how many? If you have no vacancies, enter N/A.

The Cherokee (city) Historic Preservation Commission does not have any vacancies.

34. Please complete the Commission Training Table.

An important requirement of the Certified Local Government program is annual state-sponsored (such as the Preserve Iowa Summit) or state-approved training undertaken by at least one member of the historic preservation commission and/or staff liaison. In this table, provide information about the commissioners' involvement in historic preservation training, listing the name of the conference, workshop or meeting (including online training opportunities); the sponsoring organization; the location and date when the training occurred. Be sure to provide the names of commissioners, staff, and elected officials who attended.

Name of Event	Sponsor Organization	Location	Date	Names of Attendees
Preserve Iowa Summit	SHPO	Zoom - Dubuque	June 4-6, 2020	Jim Adamson, John Snapp, Barb Busch Mott,
State Nomination Review Committee	SHPO	Zoom - Des Moines	June 12, 2020	Jim Adamson
Historic Preservation Workshop, Restore, Replace, Protect - How to Decide	Le Mars Historic Preservation Commission	Le Mars, IA	March 7, 2020	Jim Adamson & Tim Greenwood

35.

Who of your commission members, staff, and/or elected officials attended the Preserve Iowa Summit? If so, please provide their names.

Please note this must be completed. If no one attended, enter none.

Jim Adamson, John R. Snapp, & Barb Busch-Mott attended via Zoom on the days the Summit was held. Cindy Wilberding, Julie McLaren, & Nat Story viewed sessions later on YouTube.
